BGWC ACADEMY ARIZONA

Concussion Education and Acknowledgment

USA Wrestling Charter No. 2300052502

Concussion Education and Acknowledgment

Recognition, Response, and Return to Participation

Athlete Name	Parent or Legal Guardian Name
Program Season or Year	**Athlete Date of Birth**

IMPORTANT: A suspected concussion must always be taken seriously. When in doubt, the athlete must be removed from activity and medically evaluated before returning. Arizona law requires compliance with return-to-play protocols for youth athletes.

MEMBERSHIP REQUIREMENT: All club members must maintain a current USA Wrestling annual card ($50.00 per year). Participation in any practice, tournament, or event requires current membership in good standing. This is a youth-only program; no adult programs are offered.

COMMON SIGNS AND SYMPTOMS

- Headache, pressure in the head, dizziness, balance problems, nausea, vomiting, blurred vision, sensitivity to light or noise, confusion, memory problems, unusual fatigue, slowed thinking, or changes in mood or behavior.
- Red flag concerns requiring immediate emergency care: worsening headache, repeated vomiting, seizure, loss of consciousness, unusual drowsiness, slurred speech, unequal pupils, neck pain after impact, or significant behavior changes.

PARENT AND ATHLETE AGREEMENT

- I understand the signs and symptoms of concussion and other head injury concerns.
- I agree that the athlete will report symptoms immediately and will not hide or minimize symptoms to continue participation.
- A coach may remove the athlete from practice, competition, or training if a concussion or head injury is suspected.
- The athlete may not return to participation until medically cleared according to club policy and the advice of an appropriate licensed health care provider.

RETURN TO PLAY

- Return to activity must be gradual and only after symptoms have resolved and appropriate medical clearance has been obtained.
- The club may require written clearance before the athlete resumes live wrestling, drilling, conditioning, or competition.
- Consistent with Arizona Revised Statutes Section 15-341 and related youth sports concussion requirements, the club will follow applicable return-to-play protocols.

ACKNOWLEDGMENT

We have reviewed this concussion information and agree to follow removal-from-play and return-to-participation requirements for any suspected concussion or head injury.

SIGNATURES

Parent or guardian signature is required. Athletes age 14 or older must also sign. Their signature confirms they will personally report symptoms and comply with removal-from-play requirements.

Parent or Legal Guardian Signature (Required)	*Date*
Athlete Signature (Required if age 14 or older)	*Date*

This form is designed for electronic completion and e-signature. By signing, you confirm you have read and understood all terms. Retain a copy for your records.
