MAT ACCESS

- All guest athletes must complete required waivers, provide proof of current USA Wrestling membership, and follow club rules before participating.
- The club may deny or revoke visitor participation at any time for safety, supervision, roster, insurance, or program integrity reasons.

DUAL ENROLLMENT

- Athletes who also train with another school, club, or team may attend BGWC Academy Arizona activities only if permitted by club policies, scheduling limits, and insurance requirements.
- The family is responsible for ensuring that dual enrollment does not violate another club's rules, school rules, or eligibility requirements.

- Parents and guardians may observe only from designated viewing areas unless specifically invited by a coach.
- No coaching from the sideline during practice.
- Siblings, guests, photographers, and spectators must stay in approved areas, remain supervised, and avoid interfering with training or athlete safety.
