Program Season or Year	**Athlete Date of Birth**

IMPORTANT: This policy protects youth athletes, families, and coaches by establishing clear communication boundaries and reducing one-on-one contact with minors. All participants in this program are minors; no adult programs are offered.

MEMBERSHIP REQUIREMENT: All club members must maintain a current USA Wrestling annual card ($50.00 per year). Participation in any practice, tournament, or event requires current membership in good standing. This is a youth-only program; no adult programs are offered.

APPROVED COMMUNICATION CHANNELS

- Club communication should occur through group platforms, team apps, email chains including a parent or guardian, posted schedules, or other club-approved channels.
- Direct one-on-one messaging with a minor should be avoided unless there is a clear emergency or administrative necessity and a parent or guardian is copied as soon as practical.
- Parents are responsible for maintaining current contact information and monitoring club communications on behalf of their athlete.

ATHLETE BOUNDARIES

- Athletes may not use private or disappearing-message features to communicate with coaches about club matters.
- Athletes should communicate scheduling, attendance, injury updates, and club questions through approved channels, with a parent copied when appropriate.
- No athlete or family member may post private team communications publicly without permission.

COACH AND STAFF BOUNDARIES

- Coaches and staff must maintain professional communications focused on training, logistics, athlete welfare, and club administration.
- No sexually explicit, harassing, threatening, discriminatory, or otherwise inappropriate communications are permitted under any circumstances.
- The club may retain or review communications made through club-managed platforms.

REPORTING CONCERNS

- Any family who receives concerning communication, observes boundary violations, or becomes aware of policy violations should report the matter promptly to club leadership.
- The club may investigate and take corrective action including limits on communication privileges, suspension, or removal.
